PETITION OF THE PEOPLE OF THESE UNITED STATES

TRENTON NEW JERSEY – Whereas, on March 22, 2024, the People, by way of Mary B. Logan, entered an Amended Complaint before the Honorable Court of the United States District Court, for the District of New Jersey, Trenton. The pleading recites egregious, **UNPRECEDENTED** violations of Civil Rights affirmed by the founding documents; the Constitution, Bill of Rights and the Declaration of Independence, with specificity of those Rights usurped by the 52 Defendants of record: 3:24-cv-00040 ZNQ TJB. The Defendants’ actions eviscerating Executive authority of the sitting President of the United States and, in its company, every sovereign obligation to *We The People*.

The findings entered in the Trenton Federal Court repository, follow four years of thorough analysis of all periphery matters concerning the 2020 election and in light of the actions to further constrain the People of their Civil Rights, the People come together in one resolute voice speaking the cardinal moral truth, set be our Nation’s Founders’ scribed ... *“they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness, That to secure these Rights, Governments are instituted among Men, deriving their just powers from the Consent of the governed.”*

The facts now evidenced of record, state that not one but ALL of the People’s sovereign Rights have been foreclosed, each Defendant making immediate application to dismiss. Despite the irrefutable voluminous facts in evidence, the Defendants continue their tyranny against this Nation through a siege of lawfare that would exile the voice of the principled 2024 candidate, simultaneously working in collective toil to extinguish both the People’s remedy as well the only candidate who restricts the Defendants’ incessant exploitation of the People’s unalienable Rights resolving to God, Almighty, apart from human interventions.

Citing these unprecedented usurpations on the unalienable Rights granted the citizens of this Nation in our founding, the People are hereby called forward in the company of the **ONLY** person advocating in the retention of the Constitutional informed duty to the People, Donald John Trump. United in the protection of the timeless documents of our establishment; the Constitution, Bill of Rights and the Declaration of Independence, we hereby present the petition of the People.

WHEREAS, the instituted Government has seen fit to foreclose our Rights to Life, Liberty, and the Pursuit of Happiness;

WHEREAS, the People do hereby exercise their Right to withdraw consent, thus preserving the moral foundations, our natural rights and the rights we create as we live our lives; and

WHEREAS, the People set forth demands and remedy in immediate redress of the evidenced usurpations, in order for trust in government to be reestablished, the Peoples’ demands herein must be met, inclusive.

1. The unconstitutional use of Executive Authority by JOSEPH R. BIDEN, having tampered with jury selection and eviscerating Separation of Powers, Article I, Section 7, imposing on Article XI in securing a predetermined judicial outcome, resulting in unfounded charges being levied against his political opponent, and the person in whom the People have bestowed their trust established by vote as the candidate who mirrors the image of themselves, the People, to serve as President of these United States. These actions have expressly violated the Sovereign People’s Rights under Title 18 §§ 245(b)(1)(A); (a)(1); and (b)(4). Accordingly, the People hereby demand the unlawfully secured meritless charges be withdrawn and stricken of judicial record.

2. The assailants of the People's Rights have unlawfully secured capacity through foreign enterprise encroachment in the People's elections since 2002, to which they have aided and abetted through the enactment of policy including the Help America Vote Act ("HAVA"). Each such corporation includes but is not limited to Microsoft Azure, KNOWInk, Runbeck, Dominion Voting, E S&S, HART InterCivic, etc., all holding foreign corporate registration. Moreover, governmental designees have exhibited overt and covert action by inserting partizan entities in the People's sovereign elections, such entities include VotingWorks, DemocracyForward, BProKNOWInk, TotalVote, the Center for Tech and Civic Life, etc., the People demand immediate eviction of these organizations from the People's elections.

Accordingly, the government's malevolent intent having been evidenced, the People deem their Rights and privileges abridged under the protections of the Constitution, Article XV and affirmed in Executive Order 13848.

- A. All contracts with third party vendors of and relating to the federally protected election Infrastructure Subsector are to be terminated with prorated funds returned, payable to lawful citizens of these United States.
 - B. All ballots cast be of **lawful citizens**, defined by the Constitution and holding such Right, exercised freely and absent undue influence by paper ballot during the period of early voting (10-days advancing election day), election day and by absentee ballot in circumstances where the lawful citizen provides proof of incapacity or other impediment restricting from physical appearance in person. The inclusive ballots cast shall be hand counted, a full and comprehensive audit of the inclusive paper ballots will follow at the County level of government, completed by citizen volunteers in collaboration with election designees apart from those who were involved in the original ballot counting, and thereafter certified in accordance with existing statute.
 - C. The removal of all and inclusive public private partners and electronic election systems from the Federally protected Election Infrastructure Subsector. Federal parties including government and Administrative agents, their designees or assigns have no lawful reason to enter into or traverse upon local elections; any such traverse will be met with physical or bodily removal by local law enforcement.
3. The People deem those persons unconstitutionally held or detained in relation to January 6, 2021 and those persons who challenged the 2020 election, thereafter, finding themselves accosted by unlawful measures including but not limited to John C. Eastman's bar licensure as political prisoners. The People state that the holding of such parties, apart from those who knowingly broke the law, affirmed by an unbiased jury of their peers, is otherwise an unlawful projection of lawfare exacted against the former Executive of these United States, leveraging the freedom of sovereign citizens by a faction of partisan government, meritless but for those statutorily adjudicated in a Court of law; hostages by the very definition. Accordingly, the People demand that these American citizens are to be freed immediately, their private record corrected to reflect no such traverse with all Congressional or judicial record in this regard be expunged of their names.
4. The deceitful decisions affirmed by government entities have delivered our Nation to its knees, shattering public trust and the People's Rights to be self-evident, corroding the long tradition of Natural Law and squandering moral reasoning for the benefit of political factions, supplanted by extraneous persons and organizations. Standing resolute, the People hereby demand that all candidate monetary contributions of and relating to each individual public office sought and subject to public election of the People is to have **absolute transparency**, no exceptions. There are to be no State or Federal imposition that would otherwise alter presently elected capacity to affix same by appointment, thereby subverting the Peoples' intent herein. The People hereby demand creation of

citizen appointed Committees, one in each State holding to identical bylaws with each such citizen volunteer being unpaid attaching to civic obligation in the affirmation of the cardinal moral truths clause "...to secure these Rights, Governments are instituted by the People, deriving their just Powers from the Consent of the Governed." To affirm those unalienable Rights, the subject bylaws shall be incorporated with principal oversight responsibility of the People's sovereign elections including campaign finance working with those persons of government who are statutorily appointed, designated as the "Chief Election Official" and/or paid by taxpayer allocation to manage the sovereign People's elections.

Each State Committee shall convene in collective forum once per annum, presenting individual reports, affirmation of bylaw incorporation, recommendations for election improvement, be that change or alteration which will receive a floor vote passing with two-thirds following Roberts Rules of Order, appointing by two-thirds vote from among them a President, a Treasurer and a Secretary holding no weighted political capacity other than insuring the Natural Rights, sovereign of the People with fiscal stipend born of the People supplanting its structured management, departing taxation, thereby representing a direct and uninhibited voice of the collective citizenry of these United States. Following the annual meeting, the collective, vote affirmed recommendations will be scribed into one document and presented to Congress at the People's meeting House annually, advancing annual political conventions. There is to be no political interface, 501c3 or other extraneous areas of influence or involvement neither by appointment or other means, thereby eliminating bias within the Citizen Committees. There is to be no federal or state regulation imposed upon said Committees, the People's bylaws of governance affirmed by annual consent.

5. Persons presently holding office regardless of appointment or elected capacity in political, judicial or administrative capacity who took, exerted or otherwise caused encroachment, unlawful confinement, withholding or termination of licensure, all tangible harms herein defined as unconstitutional injury to another citizen subject of or relating to the 2020 election hereby have two choices: 1)immediately vacate their capacity of their own volition or be bodily removed by appropriate law enforcement and subject to statutorily derived judicial answerability in apportion to the unlawful actions taken up to and including treason; 2)once vacated and/or adjudicated, such persons forfeit any and all fiduciary benefits reserved for those having honorably served. The People do not consent to waiver of legal remedy against such parties by their autonomous decision to vacate such capacity.

As the foregoing persons are relieved of capacity, whether of their own volition or by law enforcement, all hand-held electronic devices, whether storage or operable in communication are subject to search and seizure. Advance scanning, shredding or otherwise destruction of the People's property shall have severe consequences up to and including loss of freedom of movement, confinement and subject of supervision by the respective County Sheriff or other statutory designee. All and inclusive work product apportioned in the conduct of the People's business, shall remain at the work place and subject of immediate law enforcement seizure but for that necessary in the conduct of the People's business.

WHEREAS, *the People* stand in unified voice and of one mind in the interest and retention of the inclusive sovereign Rights, affirmed and affixed as unalienable resolving to God, Almighty the Creator of dominion having bestowed the lands of these United States in trust for those who will follow, themselves sovereign. Be it known, these are the People's elections, not that of the government's, with government acting as a conduit merely to count the secured, private votes of the People.

NOW THEREFORE, be it resolved, We the People hereby attest to the foregoing Proclamation by affixing our given names in the retention of those Rights, Natural and

inseverable, a declaration of foundational common sense, steeped in moral reasoning so as to secure our Rights to Life, Liberty, and the Pursuit of Happiness.

DISCLAIMER: This Petition of the People is originated, maintained and will be submitted by its author, Mary B. Logan on behalf of the People, represented by affixed signature while serving as the President of the Liberty Project, Inc., a 501c3 entity. To retain authenticity and confidentiality of those partnering in the project, no private information belonging to the signers by e-signature will appear online or be made viewable. Private information, including email, etc. will be retained with the highest degree of confidentiality, personal information will never be sold, shared or otherwise disseminated, for any reason. This Petition is **not** to be copied or disseminated without the express permission of the originator, and is considered a legal document with all rights thereto reserved. Kindly contact us at P.O. Box 5237, Clinton, New Jersey 08809 with any specific questions. Thank you and God bless these United States.

<p>1. The first step in the process of identifying a problem is to define the problem clearly. This involves identifying the symptoms, the scope of the problem, and the impact it is having on the organization.</p> <p>2. The second step is to gather information about the problem. This involves talking to people who are involved in the problem, looking at data, and researching the problem.</p> <p>3. The third step is to analyze the information. This involves identifying the causes of the problem, the factors that are contributing to the problem, and the potential solutions.</p> <p>4. The fourth step is to develop a plan of action. This involves identifying the steps that need to be taken to solve the problem, the resources that will be needed, and the timeline for the solution.</p> <p>5. The fifth step is to implement the plan. This involves putting the plan into action and monitoring the progress.</p> <p>6. The sixth step is to evaluate the results. This involves assessing the effectiveness of the solution and identifying any areas for improvement.</p>	<p>1. The first step in the process of identifying a problem is to define the problem clearly. This involves assessing the effectiveness of the solution and identifying any areas for improvement.</p>
---	---

The graph shows a linear relationship between the number of people in a group (x-axis) and the number of people not in the group (y-axis). The x-axis ranges from 1 to 10, and the y-axis ranges from 0 to 10. The line starts at (1, 9) and ends at (10, 0). The line is labeled 'f'.
